Emergency dept
closed for 25 hours
starting this morning

Emergency services will be unavailable at Nicola Valley Hospital from 7am this morning Aug 31, until to 8am tomorrow, Sept. 1. Patients can access emergency care at Royal Inland Hospital in Kamloops. People in the community who need life-threatening emergency care (i.e., chest pains, difficulty breathing, severe bleeding) should always call 911 for transport to the nearest available and appropriate facility.

No “fire ending”
rain in the weather
models at this time

Rain fell over most of the Bruns-
wick-Ainslie Creek complex with vary-
ing amounts ranging from 6ml - 14ml.
The rain has lowered fire behaviour in
the short term but there is no “fire end-
ing” rain in the weather models at this
time, reported the BC Wildfire Service
yesterday. In the coming days tempera-
tures are expected to increase with no
rain. However, we are returning to sea-
sonal temperatures in the low to mid-
20s with relative humidity 40-60% in the
daytime.

More evacuation
alert & order changes

On Saturday at 12noon, TNRD issued
the 'all-clear' for Brookmere, Kane Val-
ley, including Iron Mountain Rd, Kane
Valley Rd and Coldwater Rd S.
At the same time, the evacuation or-
der for Coldwater Road /Patchett Road
areas was downgraded to an alert.
Coldwater Band also lifted their evac-
uation order for residents in Paul’s Basin
IR No. 2 on Saturday.
On Friday at 12noon, the City of Mer-
ritt rescinded its area closure which re-
stricted public access to forested areas
around the community. "While condi-
tions have improved, wildfire season is
not over. Wildfire risk remains through-
out the fire season, and conditions can
change quickly. Residents and visitors
are encouraged to remain vigilant when
using forested and recreational areas,
use caution with any activity that could
cause an ignition, and continue to follow
all provincial fire prohibitions and re-
strictions that remain in effect."

Cell-phone makes
guy stupid

Here follows a homiletic* exercise,
a small cube of urban
folk wisdom (excuse Cont’d, over

A horse walks into a bar... Bartender: Hey. Horse: Yeah sure.

What do you get if you play your country music records backwards? You get back your girl,
your house, your truck, and your dog.

A man went into a restaurant and ordered a lobster's tail. The waitress gave a smile and said
"Once there was a handsome lobster..."

3 golf clubs walk into a bar.The Putter orders a beer, the Wedge orders a whisky. The Bar-
tender asks the 3rd one if he wants anything. He replies, "I'll just have a tee. I'm the driver!"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

This week, a situation begins shifting in a positive direction. It's about being clear about how you're feeling, and not assuming that someone else automatically understands.

Taurus
April 20 - May 20

Harmony and kindness are particularly powerful qualities to nurture right now. This week, if you follow your heart, you'll strengthen a connection in a deeply satisfying way.

Gemini
May 21 - June 20

This week, don't feel guilty about setting boundaries. The people who care about you will understand. You'll be more relaxed, more present, and even better company.

Cancer
June 21 - July 22

This week, when a few unexpected twists interrupt your carefully made intentions, don't see them as setbacks; they're invitations to discover a more creative approach.

Leo
July 23 - Aug 22

If you've been meaning to re-connect with someone, but keep putting it off, this is the perfect week for it. A simple message, invitation, or a shared laugh could be all it takes.

Virgo
Aug 23 - Sept 22

This week, help someone understand how you feel or what you need — clear words will achieve more than 100 hints. Just make your intentions easier to recognize.

Libra
Sept 23 - Oct 22

The best surprises don't arrive in the form we expect, let your heart decide what's worth welcoming into your world. A kind gesture could be more than what it suggests.

Scorpio
Oct 23 - Nov 21

This week, if someone oversteps a boundary, don't ignore the feeling. A calm, honest convo will restore equilibrium without creating any unnecessary drama.

Sagittarius
Nov 22 - Dec 21

This week brings encouraging signs of positive movement. An interaction reminds you why hope is always worth holding on to. Let optimism lead the way.

Capricorn
Dec 22 - Jan 19

This week, encouragement arrives & it's impossible to ignore. A relationship begins to feel lighter & an awkward situation changes, it's clear that not every door has been closing.

Aquarius
Jan 20 - Feb 18

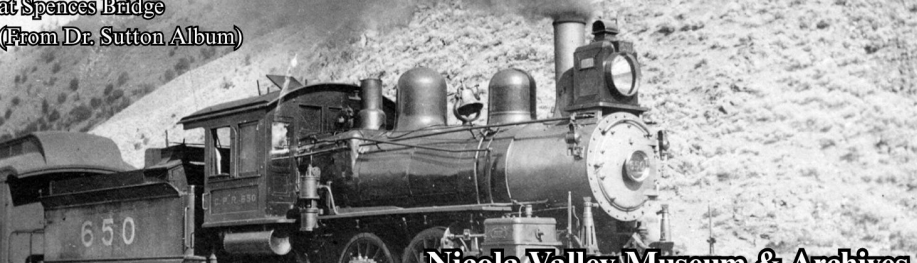

Whether you're hoping to meet someone new, or widen your social circle, try to see situations through other people's eyes. Sometimes, you just have to show up, and be open.

Pisces
Feb 19 - Mar 20

This week, trust becomes easier than doubt. Listen to your heart & your head, and stop second-guessing yourself. Your instincts are leading you in the right direction.

Cell-phone *continued*

me for a moment, phone. "Yeah, uh-huh, a graffitti-smeared curb-stone ... yeah ... chosen canvas of gifted tho anti-social dwarves. Right. Love to the wife & kids.") Sorry about that.

I've had my 1st cell phone bill. It was more than it ought to have been if I were anyone with *any* degree of sense, AND if it were any other billing month but the first. The first month ALL first-time cell owners have to be fools. It's the law.

The new rig's in the car, right ? - it's little light beeping on the dash as you're driving along: *Use ... me; Use ... me; Use ... me.* You gotta phone someone (They're gonna be some excited!) Ring, ring, ring, "HEY MAUDE, IT'S ME ... (at first in the car, you yell into the sucker) I'M IN MY CAR!" "What?" "I'M IN THE CAR, COMIN' OVER TO YOUR PLACE. I'M TALKIN ON MY NEW CELL PHONE!" "You're in the car?" "YEH" "Comin' over here?" "YEAH, I'M TALKIN' ON A CELL PHONE!" "Pick me up some milk." (?)

So? Some people aren't excited.

But you *gotta* do it. With a new cell-phone. Nothing establishes dork status like a new cell phone.

You do stuff like *this*: you're standing right outside the door to your house. You get this brilliant idea - you're gonna *phone inside!*

So you dial up ... somebody answers, asks where you are ... you say like you're on your way or something ... "see ya soon," you say (laughing your ass off inside your own dumb head!!) and as soon as they hang up, you leap into the house. Whoa! Everybody cracks up, you whip the phone out of your pocket and pantomime the whole routine, showing everybody how you did it ... then you explain once more how the cell-phone is not a toy, and you turn off tile power and hook is sensibly, up to the charger. Maybe tomorrow you'll phone from a *washroom stall in the Grasslands!* Won't that baffle the populace.

I ab-so-lutely love my cell-phone. It does everything I need it to do - and more! The trick is to use it for what you need it for, and leave the 'more' to doctors, lawyers and plumbers. Chalk up the 1st month to novelty, and then put a leash on the sucker.

**homiletic - a) a laxitive; b) house rental technique; c) preachy*
